Outside Jurisdiction	▨	

¹ State or County; or their equivalent area for statistical purposes.

² A number in parentheses following a map spot indicates the number of units at a multiple unit living quarters.

³ An asterisk following a block number indicates that the block number is repeated elsewhere in the block or is shown partially on an adjacent map sheet.

⁴ A fishhook across a map feature or boundary indicates that the areas on both sides of the feature or boundary belong to the same census block.
